Marriott Library Publishing Agreement

This Agreement (Agreement) is between the author (Author) and the University of Utah on behalf of its J. Willard Marriott Library's Library Publishing Program (Marriott Library). Under this Agreement, Author grants Marriott Library certain rights in and to the following book, collection, article, selection, dissertation, theses, abstract or other property provided by Author to Marriott Library:

(the Work).

Grant of Rights for Inclusion of the Work in Marriott Library Publishing Program
 Author hereby grants to Marriott Library the nonexclusive, perpetual, worldwide, irrevocable right to reproduce, distribute, display, publish, archive, preserve, digitize, transcribe, translate, provide access and transmit the Work (in whole or in part) for any non-commercial purpose including but not limited to archiving, academic research, and marketing in such tangible and electronic formats as may be in existence now or hereafter developed. Marriott Library may elect, in its sole discretion, not to exercise the rights granted herein.

Marriott Library Publishing Program

Without limiting the foregoing, the rights granted herein include: (1) the right to make the abstract, bibliographic data, and any metadata associated with the Work available to search engines and harvesters; and (2) the right to publish the Work via the Marriott Library's digital library in order to provide the Work greater accessibility and visibility.

Copyright Ownership; Creative Commons Licensing; Deposit with the Library of Congress

Author shall retain copyright in and to the Work and Marriott Library shall provide proper attribution in its exercise of the rights granted herein. Upon Author's request, Marriott Library will provide Author with information regarding Creative Commons copyright licensing.

Representations

Author represents and warrants that: (i) Author is the copyright holder of the Work and, if applicable, has obtained all necessary rights to permit Marriott Library to exercise the rights granted herein with respect to third party materials contained in any part of the Work; (ii) the Work does not violate or infringe the rights of any third party; and (iii) Author has full power and authority to make and enter into this Agreement. Author agrees to execute and deliver to Marriott Library such other documents as Marriott Library may from time to time reasonably request for the purpose of establishing or evidencing the rights granted herein.

Indemnity

Author is solely responsible and will indemnify and hold Marriott Library and/or the University of Utah harmless for any third party claims related to the Work as submitted for publication.

I, the undersigned Author, have read and I am fully familiar with the contents of this Agreement. I hereby affirm and agree to the above stated provisions. I confirm that I have the right to enter into this Agreement.

Born Digital Discussions

Created by Anna Neatrou, last modified by Tawnya Mosier Keller on Apr 26, 2023

This informal, interdepartmental group was organized in early 2022 to begin looking at several issues that relate to born-digital collections at the Library, such as:

1. Born-digital collection workflow creation
 - a. Case-study: Salt lake Climber's Alliance
 - b. Born Digital Collections Workflow (DRAFT)
2. Born-digital collection development policy creation
 - a. **Born Digital Collection Development Policy (DRAFT)**
3. Donor Educational Materials creation
 - a. Donor Educational Materials online resource being created by SPC/DP interdepartmental working group.
 - b. **Donor Education Materials and More!**

Educational Materials and Best Practices resources:

(posters, flyers, paper copies of emails, etc.)

Tallie given access to DropBox and asked to organize materials, remove duplicates, etc.

ABOUT

The Salt Lake Climbers Alliance, founded in 2001, is a non-profit advocacy organization created to promote climbing opportunities, preserve local access and encourage stewardship of the environment. The Alliance advocates for local climbers with land managers and stakeholders. Alliance members help to preserve climbing routes by replacing old, worn-out bolts; improve and maintain trails and crags through Adopt-A-Crag Days; and educational programs.
